RE: Result of Ethics & Oversight Committee Hearing of Complaint

Dear Member Wilke,

A meeting of the Lake County Ethics & Oversight Committee was held on November 18, 2020 at the Lake County Administrative Tower in Waukegan, Illinois. One of the purposes of this meeting was to discuss and review the complaint that you provided the State's Attorney's Office on November 5, 2020 via email. Following discussion in executive session, the Committee determined that the violations you allege in your complaint did not have merit.

While the Committee did not find merit with the allegations in the complaint, direction was provided to staff via separate action to remind Member Barr of the Core Values and Principles, some of which were violated with the Facebook post.

Please contact this office for any questions.

Regards,
